AGRICULTURAL IMPLEMENTS, MACHINERY, FIELD AND GARDEN

SERIS, FIGURIALY, Fig.

THE undersigned is now prepared to furnish the above mentioned and all articles pertaining to the agricultural business at the lowest market rates; having just returned from a tour through the northern and New England States, where he has visited a large number of the principal agricultural manufacturing establishments, from which he has taken great pains in selecting a choice assortment of implements and machinery of all descriptions. He has also made arrangements to be at all times in receipt of any important improvements that may take place in the agricultural line. Another very important feature in this new establishment is, that the proprietor is a practical agricultural machinist, with an experience of tweive years. He has thereby acquired a thorough knowledge of this business in all its various brauches. He therefore feels justified in saying that he can obtain and furnish all articles in his line on as reasonable terms as any house in this country.

Machinery of all descriptions repaired at the shortest notice and on the most reasonable terms.

With the above experience and facilities for conducting this business, (which is all important,) he respectfully solicits the patronage of the farming community and public generally. It shall always be his object to piezee.

Yours, very respectfully.

J. P. BARTHOLOW,
